Kebab (also transliterated as kabab, kebab, kabob, kibob) refers to a variety of barbecued/grilled/broiled meat dishes in Middle Eastern & Mediterranean cuisine. Kebabs usually consist of lamb & beef, though particular styles of kebabs have chicken or fish. Muslims or Jews never use pork for kebabs because of the religious prohibition on the meat

*** ARABIC KEBABS ***

~~~~~  
*Shish kebab is a dish consisting of small cubes of meat threaded on a skewer that are grilled or roasted. Any meat may be used & fruit or vegetables are served with it*
